

Public/Working Tables

NODES	Information about each node, its parent, its principal name (+ authority information, etc.) and properties (e.g., extinct, monophyletic, incertae sedis)
OTHERNAMES	Other names (+ their authorities, etc.) that are applied to nodes in the tree
PAGES	Information about branch & leaf pages, references, internet links
GRAPHICS	Exemplar title illustrations for each page
TreeGifs	Information about the tree images displayed on branch pages
SECTIONS	Text sections for branch & leaf pages
Sections_To_Pages	Which section is to be displayed on which page
PAGE_CONTRIBUTORS	The contributors for each page, along with their roles (author, correspondent, copyright owner)
ACCESSORY_PAGES	Pages with additional information, articles, notes, treehouses
Acc Pages To Nodes	Nodes to which each accessory page is attached
ACC_PAGE_CONTRIBUTORS	The contributors for each accessory page, along with their roles (author, correspondent, copyright owner)

Misc. Tables

NODES	Information about each node (same as ToL_Working)
NODEANCESTORS	Representation of the ancestral relationships among nodes
Contributors	Information about each ToL contributor/group enthusiast
Contributors_To_Nodes	Nodes to which each contributor/enthusiast is attached
ClassroomProjects	Information about classroom projects (treehouses)
Students_To_Projects	Students in classroom projects
ForeignDatabases	Other databases from which we import content
Images	Information about each media object, includes videos, sounds, documents
Image_Versions	Information about each media version (different sizes, cropped versions, etc.)
Images_To_Nodes	Nodes to which each media object is attached
Downloads	Branches that are downloaded in TreeGrow (downloaded nodes are “checked out”)
SubmittedPages	Pages that have been submitted for publication
ArchivedPages	Old versions of pages that have been archived
